Also, I, hereby, formally Compel Discovery to include (to be delivered by said D.S.S.): 1. All investigation documents mentioning client which are possessed DHA and/or D.S.S. in relations to 2. Notification of any so-called sealed (or otherwise access-limited) (allegedly) documents mentioning said client also possessed by either or both said agencies.

Declaration In Support

Whereas, (as previously asserted) during a time proven to be deceptically Arbitrary, Capricious, Overtly, while said agency has betrayed Malicious Motive against client's (Fundamental Rights of) Life, Limb, Liberty and Property and Intent of Foul Play Conspiracy (in Retaliation to his Just Accusations), client is Reasonably unable to Trust in Lawful Fairness of Venue at its locations of controlled function-space or by Telecommunication proceeding scheduled. [See AV Records: 210215... and 210216... at JCTF vs SAC City et al. Playlist link on Homepage at www.tbop.wordpress.com.]

Whereas, said client has been Exigently Overburdened by Incalculably Extreme Damages caused by Prolonged Harassments by Abuse of Process (as previously asserted in Complaint), via telephone, of Time-Waste, Delay and Monetary costs (of phone operation, and while indigent without income) and therefore, said client is too Overburdened by joined acts for costs of telephone interview procedure; he cannot afford any more of such costs imposed by either or Whereas, client is too Overburdened by joined acts of Legal Harassments (per past assertions of Conspiracy to Commit...) to currently research authorities at issue, yet certainly they do exist.

Whereas, Certainly Venue is bound to full disclosure of Discovery pursuant to Rule of Law and Legal Doctrine at issue. If Whereas, Sarah Russell (by my experiences in self-reasoned influence) was extremely suspicious by her Misconduct (as recorded) as "ombudsman." Whereas, it has proven that Co-official-organized-Crime Enterprises (as previously asserted) have incessantly Harassed system against This Innocent Witness; and 2. All manner of Foul Play and Racketeering in Conspiracy to Commit, against same Innocent witness in Retaliation.

Whereas, it has proven (although government has guiltily false-denied
obstinately) - yet I persist with, rather upon Just Corroboration, of indeed acts
of same Conspiracy (include those of Collusion with Infiltration within Actuality
all Agencies with which client has ever dealt (and CERTAINLY by client's
experience to NOT BE PREJUDICED with continued PARTIALITY, IN CONVI-
SION). [And this, by own experience. And those of Ted Bundy and the DNA of incident
have been the worst conspicuous ever, and since client's ACTUAL Honourable Discharge
from APR in 2012 (when, simultaneously they forfeited their contract with client by
Honourable U.S. Violations in 2007 Anonymous). But records were tampered to conceal still
Crimes and there were results APR has refused to cooperate with rectifying in Illegal Conspiracy.
When, almost two decades ago, I first met one Daniel Russo (of N. Canton, OH -- as appeared later
response) as a new visitor to an institution named Faith-Bible Church, highly representing as a
soundly Christian church. [Whereas, client previously became accepted as a member of same, doing
institution announced with sincere intentions (contemporarily approving its statement of faith and deeply stated
which did not mention leadership's heterocism, per knowledge that motivated amongst others for eventually, in
obedience to my Lord, within the Crypto-satanic, satanic realm of a stark, could, on) with sincere intentions on
a True-Believing Judeo-Christian (and with such conversation in my life) in Relationship Relationship with the
True Lord, Jesus Christ as His Disciple -- and that (the rest of its configuration targeted, as client's, as
ful and cheerfully underhanded oppressors as ex, men and impostor and working force and worse" and as
"fake-shepherd" and "sheep turned to wolves, client's person figuratively in secret.
to clients, approximately three years subsequently, by Proof, I CERTAINLY REALIZED: church institution of
said was, by rest of its body members, who were not ACTUALLY of Christ (but manipulative, per se, by
a most diabolical (blatantly) "Hoc Arthurism" Heresy (which the subtlety of its subversive, determined, and
to my disappointment, proved to be) of the current Great Apostasy. [Whereas, client, upon random work,
separated from out of record. [Whereas, furthermore, client has CERTAINLY discovered that church of
Satan High Priest, Brian Warner (a local to regions secret society network), and client's relative, Michael
Hector of Schismatic Association of out of record (of the Heretical school of the contemporary, so-called
"Reformed Theology" with its Shepherd's Conference of one John (pastor here) who both amongst network of
Occult-Organized Crime Enemies of omnibonded and directly, and obsessively connected and involved with
next institution of record in same Protestant Conspiracy. [And I am a 50 year-old Adult, ELDER,
OLD-MAN.] [Whereas, shortly after first acquaintance as of record: 1. Daniel Russo, as visitor in
company with one Branch Family, that were co-members of church of record as "church-family"
in company with, offered client a boarding room in his home. [Whereas, Eastleigh
in company with, offered client to accept Russo's offer, he kept persisting; and, also, one Barn

Horizons of schismatic Association of cult operators (of the "New World") with both amongst network of
"Reformed Theology" with its Shepherd's Conference of one John (pastor here) who both amongst network of
Occult-organ and Crime Enemies of nonfictional and directly, and obsessively connected and involved with
cult institution of said in same Protracted Conspiracy. [And I am a 50 year-old Adult, ELDER,
OLD-MAN.] P. Wheras, shortly after first acquaintance as aforesaid: 1. Daniel Russo, as visitor in
friendship with one Branch Family, that were members of church aforesaid as "church-family"
client had kept company with, offered client a boarding room in his house. P. Wheras, although
client, for a long time, was am²ivalent to accept Russo's offer, he kept persisting; and, also, one Beth
Branch persistently persisted to pers²uade client to accept since "the cohabitation would be
mutually beneficial (post Russo's recent divorce) to assist each others' split-family parenting vacations."
Wheras, after a number of months, accepting Russo's offer, client, by evidence, realized: 1. Russo was
Italian-American mafioso with his family who owned and operated a cement company as a legitimate
business front; 2. Daniel Branch was a foot-soldier, association fronting as a glazer while his wife
carted narcotics fronting as a really known newspaper deliverer; and 3. Russo's offer was
only, actually, typical Mafioso Operandi of Mafiosos in Criminal Conspiracy Plot of Foul Play; and 4.
Russo family is directly involved (related to) Petrucci Family who are step-family of my deceased
grandfather, Bruno Stanis Hydak (Eddie Hydak's [also culprit amongst culprits] father (brother of
my biological mother who is disowned by client [for Justly Biblical causes]. P. Wheras, said
Conspiracy has actually been conducted (and protracted) since my birth Ritualistically, by an
Occultic-organized Crime Network (of which rest of client's family are members) and is a secreted
matter of the (ACTUALLY) Crypto-satanic Vatican of the Current Great Apostasy (as the current
seat of satan) with its multitude of mixed interests including human sacrifice (since an angel
restrained client's unqualified "birth-mother" delivered at birth). P. Wheras, these above,
along with Horizons of Lackland AFB TX, actually were involved in jointed acts of same
Conspiracy aforesaid at 910th ALW, AFR during my enlistment.
Wheras, Rule of Law Doctrine presumptively outweighs favoring Demanded Procedure as aforesaid
(while client's severely suffering anomalously exigent circumstances aforesaid). Therefore,
it is in the Interest of Justice that said procedural Demands of client's attached Letter of Demand
be practiced in this hearing matter.

Sincerely,
Jacob (James E. Horton)
